In addition, there is parking for one vehicle and a bow stand set at 20 yards. Just a reminder going into fall, the pistol & rifle range hours will change to 9AM until 4PM starting November 1st. Paper targets and push pins are available at both ranges for your convenience and members are responsible for clean up of spent casings and removal of used targets.

Please leave a donation in coffee donation jar.

A MESSAGE FROM OUR BINGO CHAIRWOMAN Michele Cutillo

Bingo for 2025 was a LARGE SUCCESS both for the club and players. Sales were comparable to 2024. The diversity of bingo games and large payouts has seen the average spending per player per night increasing substantially.

Without Bingo, Club DUES would increase significantly. With that said we continue to look for support to assist in running bingo on Saturday evenings. Several new members have been supporting bingo once every 4 to 6 weeks, which has greatly helped the base staff have a Saturday night off. We still need HELP to fill out the calendar. All helpers at bingo receive a small stipend of \$40 for the evening of support. Hopefully more club members can find time to support bingo at least one Saturday in a year. Many supporters bring children for the night. There is plenty to do for all ages.

I personally want to THANK all of the folks supporting BINGO on a weekly and monthly basis, the CALLERS, REGISTER workers and FLOOR workers for their continued support.

Lori Miller, our APPAREL and Promotional Items chairperson, has many items available for purchase at the GENERAL Meetings, and most events. Help promote GSFG by **proudly displaying our colors and logo!**

FISH & PONDS UPDATE: Dean Yeakel & Troy Battistoni

Winter stocking for ICE FISHING will be closer to Christmas. Due to our failing pond aeration system, the club members voted to have Aqua Link build & install a new aeration system for our ponds.

This should be accomplished in the near future.

TILL NEXT TIME "ENJOY YOUR FALL LEAVES, PUMPKINS AND OF COURSE HUNTING!
